

Woolenwick Junior School

'Growing roots to learn and wings to fly'

Woolenwick Junior School – Sports Premium use and impact

Schools receive a Sports Premium payment to improve the quality and breadth of Physical Education (PE) and sports provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels of which they are capable.

Sports Premium

Stevenage Sporting Futures Team

With the collaborative partnership of our school and Stevenage Sporting Futures Team, we are able to offer the children a fully inclusive variety of sporting experiences, festivals and competitions.

We are proud to be a Sports Premium partner school of the Stevenage Sporting Futures Team.

Academic Year: 2016/2017		Total fund allocated: £9113.00 indicative					
PE and Sport Premium Key Outcome Indicator	School Focus/ planned Impact on pupils	Actions to Achieve	Planned Funding	Actual Funding	Evidence	Actual Impact (following Review) on pupils	Sustainability/ Next Steps
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	<p>To allow children the opportunity to partake in as much quality sport as possible.</p> <p>To increase the variety of after school clubs, organise internal competitions and support off site visits - employ a sports apprentice. Develop questionnaires for children</p>	<p>Lunch time clubs, After School Clubs</p> <p>Staff & pupil led</p>	<p>£1,500 for sports leader at lunchtimes (school funded rest) £3,000</p>	£1500	Encouraging greater numbers of children to engage in an active lifestyle	<p>Stevenage Sporting Futures Apprentice worked in school providing support and knowledge in PE lessons which supported development of high quality sessions.</p> <p>A variety of clubs provided by both school staff, a governor who works for SSFT, Rising Stars and Stevenage Football club.</p> <p>Competitions were entered across the school age in a variety of schools – these were mainly competing with children across Stevenage. PPG children were invited to attend trampolining club.</p>	<p>Stevenage Sporting Future apprentice to be employed as our apprentice this year – deliver PE lessons with staff and continue lunch provision.</p> <p>Monitor variety of clubs on offer to ensure broad coverage of PE curriculum.</p> <p>Pupil voice on PE lessons, variety of sports clubs and interest in competitions.</p>

2. the profile of PE and sport being raised across the school as a tool for whole school improvement	The PE subject leader given additional leadership time to coach teachers	To enable subject leader to raise confidence and staff expertise in teaching PE	£1,000 (School funding rest)	£3283	Quality of teaching in PE improved, leading to higher quality sessions being delivered	Rising Stars were employed to deliver high quality teaching across the PE curriculum. Teachers observed and support R.S. leaders allowing for own PE development. All children received high quality PE provision.	Review subject leader responsibilities and working alongside apprentice. Lesson observations and feedback.
3. increased confidence, knowledge and skills of all staff in teaching PE and sport	To improve staff knowledge and confidence in teaching PE	To ensure staff receive quality inset training sessions for Gymnastics and dance	Free (Please see Stevenage Sporting Futures)	Free	All staff attended training sessions	The majority of staff attended training provided by SSFT which allowed for high confidence and quality of teaching.	Match PE apprentice with key staff to support development. Arrange appropriate training when applicable.
4. broader experience of a range of sports and activities offered to all pupils	'Try a new sport day' In addition please see Stevenage Sporting Futures and Rising Stars	To book outside agencies to deliver these different sports	£2000	£2130	Each year group had a new sport delivered in school and an afternoon out of school trying a different sport.	Children throughout the school received the delivery of a PE session outside of our normal curriculum area, i.e. year 6 trampolining and bell-boating.	Review quality of these provisions provided and change if appropriate. Pupil voice of what they would like and see if it can be improved to raise interested.
5. increased participation in competitive sport	Allow children to compete in competitions	Enter teams in Stevenage football and netball league Other sports entered	£50.00		All children have had the opportunity to represent the school in sporting competitions and	Competitions were entered across the school age in a variety of schools – these were mainly competing	Review interest of children in the competitions. Pupil voice.

		Goal ball- Frizbee - athletics etc			festivals. Through memberships of various sports providers.	with children across Stevenage. Additional to this, the children entered the football and netball leagues – our year 5/6 football team moved have now moved up to the next division.	Plan for which competitions to engage in (as so many offered) in order to maximise interest and engagement.
Use your own indicators	Membership of Stevenage Sporting Futures	Allow access to training for teachers, sporting festivals and PE leader briefings	£2200	£2200	Provided; Professional development for staff Widened sporting opportunities for children Support for the PE Leader	All children have had the opportunity to participate in a range of competitive sports which staff were able to prepare them for. All year groups also attended a festival which staff were able to prepare them for. PE coordinator attended subject clusters and briefings to further develop knowledge.	Allow PE apprentice to attend relevant meetings/trainings with the PE co-ordinator to support development. Plan for which festivals to engage in (as so many offered) in order to maximise interest and engagement. Access relevant training for all staff.
