

Literacy

This term the children will be using our focussed text called Skellig by David Almond. They will:

- We will writing a report, a diary entry and a historical narrative
- Develop their knowledge of word work and grammar

How to help your child at home:

- Read regularly with your child, asking questions of the text.
- Help them to write their own pieces and check their writing for spelling and punctuation errors.

Computing

Children will become 'Game Developers' and create their own games. They will also be using 'Mozilla Goggles' to edit their own websites.

Geography & History

Y6 will be learning about Knights and Castles. They will be focusing on the Normans, The Norman invasion and the Battle of Hastings.

Art & D&T

Y6 will be continuing to create their fairground rides as well as studying Kandinski in Art.

Maths

- Numbers and the number system (Learning about number sense)
- Written methods and algebra.
- Using the main four operations and the relationships between them.
- Fractions, decimals and percentages.
- Solving numerical problems.

How to help your child at home:

- Discuss prices, money and change when shopping.
- Help your child to learn all of their times tables

Science

Through the curriculum pupils will learn about inheritance and evolution. They will learn how plants and animals have adapted to specific climates and environments in order to survive.

How to help your child at home:

- Research the person 'Charles Darwin' and explore his work on evolution. Use the local library or the internet to find out about which animals live in certain parts of the world and how they have adapted to survive in their habitat.

RE

In R.E Year 6 will learn about different types of religious leaders. They will focus on personal reflectiveness and meditation.

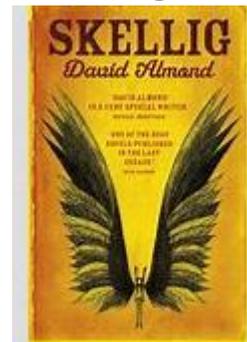

PE

In P.E. children will learning about and improving their skills in gymnastics and trampolining as well as tennis after half term.

Music

In Music children will be learning the songs from Mary Poppins..

Skellig

PSHE/Circle Time/Spanish

Children will explore bullying and the effects of it. Children will also learn about diversity. In Spanish children will be learning greetings, colours and classroom objects.
