How the LPPA relates to Primary Schools

The work of Professor Charles Desforges tells us that at the age of seven, parental influence on children's learning is six times that of the school, and by the age of eleven it is still a third greater. Working effectively with parents and carers to help them to support their children's learning and development is crucial, right through from reception to Year 6. In primary the LPPA Programme helps schools to enhance their existing work with parents and carers.

What is the LPPA?

The Leading Parent Partnership Award is a nationally recognised award which is achieved by schools who work closely with the parents and carers of their children. It is a portfolio, evidence based award that, when completed, will demonstrate our commitment at Woolenwick Junior School to working with and alongside our parents and carers.

Over the next 12 to 15 months we will be working to achieve the award through meeting the requirements of each of the 10 LPPA objectives.

We need your help.

With this leaflet is a return slip – an opportunity for you to tell us what you think, how you feel, what you would like to know about our school. We will do our best to answer your questions, provide training opportunities and take on board your ideas.

Please take the time to complete and return the form, have your say and be part of our school's future.

LPPA Objectives

Objective 1: Commitment

We are committed to working with parents, staff, governors, pupils/students and outside agencies to develop strong and permanent parent partnerships

Objective 2: Planning

We will demonstrate effective leadership, management and organisation of parent partnership

Objective 3: Welcome and communications

We are committed to making our school a communicative and parent-friendly place

Objective 4: Lifelong learning for parents and carers

We encourage parents in adult and family learning

Objective 5: Enrichment activities – joint parent and child learning

We engage parents and their children in learning together

Objective 6: Induction

We provide effective induction support for parents when their children are new to the school

Objective 7: Information and guidance

We enable parents and carers to support their children's learning.

Objective 8: Policies

We have family-friendly policies and communication strategies to support children's learning and development

Objective 9: Transition

We provide effective support for parents on their children's transition to the next stage of learning

Objective 10: Evaluation

We plan to monitor, evaluate and further develop our parent partnership

Please return this slip by dropping it into the LPPA reply box located in the School's front entrance.
