

Literacy

This term the children will be using our focussed text called Journey by Aaron Becker. They will:

- We will be writing a first person narrative based around visual images
- Develop their knowledge of word work and grammar

Guided Reading

This will be based around the novel Goodnight Mr Tom.

How to help your child at home:

- Read regularly with your child, asking questions of the text.
- Help them to write their own pieces and check their writing for spelling and punctuation errors.

Computing

Children will create their own working spreadsheet and be able to use formulas in excel in our information matters topic. As well as having a focus on E-Safety.

History

We will be learning about our Knights and castles as well as crime and punishment. With a focus on the Normans and the Battle of Hastings

Art

Y6 will be looking at the life of Claude Monet and recreating some of his famous paintings.

Maths

- Numbers and the number system (Learning about number sense)
- Written methods and algebra.
- Using the main four operations and the relationships between them.
- Ratio and proportion.
- Calculating area and perimeter

How to help your child at home:

- Discuss prices, money and change when shopping.
- Help your child to learn all of their times tables

Science

Through the curriculum pupils will be learning about evolution. They will learn about the work of Charles Darwin.

How to help your child at home:

- Research into Charles Darwin. Use the local library or the internet to find out about him.

RE

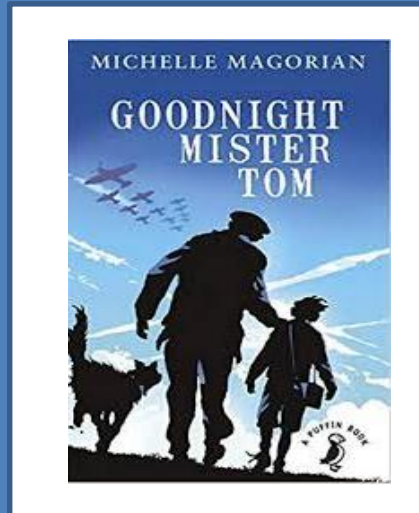

In R.E Year 6 will learn about different types of religions. Especially focussing on faith in Christianity and Buddhism.

PE

In P.E. children will learning about Gymnastics, Dance and Tennis.

Music

In Music children will be learning the new songs in our singing assemblies.

PSHE/Circle Time

Children will be exploring anti bullying and feeling good, as well as having some mindfulness sessions..
