

WOOLENWICK JUNIOR SCHOOL

Terms of Reference for Committees 2020

General Role of the Governing Board

The Governing Board is the regulatory authority of Woolenwick Junior School.

For full Governing Board meetings, the quorum is half the number of serving governors. If a meeting is not quorate, or if Governors leave during the meeting and it loses its quorum, the meeting cannot take further decisions, but it can make recommendations, to be ratified later.

The Governing Board will meet at least once a term or as required.

The board should ideally not meet without the Headteacher or their nominated representative present, however, some governing board business may need to continue and the board will consider every situation individually and make a recorded decision.

The Governing Board recognises its strategic role and that it would be impractical to undertake all day-to-day activities. It is, therefore, necessary to delegate a number of its functions to committees and the Headteacher. These delegations outlined below.

The Governing Board must review the delegation of functions annually and remains accountable for any decisions taken by committees, working parties and individuals.

The Governing Board recognises the need to ensure compliance with all legal and financial reporting requirements and controls as issued by Herts for Learning/Hertfordshire County Council and the Department of Education (including the Schools Financial Value Standard). This will be reviewed annually to ensure we are up to date and undertaking this work in a timely and appropriate way.

Where any committee proposes a new policy (or a variation to the existing policy) that affects or may affect the schools finances, it will require formal ratification at a Full Governing Board meeting.

Minutes and Meetings

Minutes of meetings will record those present, the date and any decisions, action points or recommendations. Any recommendations must be written in such a way as to offer the governing board a clear proposal or alternatives to debate and decide upon. Minutes will be circulated to all governing board members 7 days before the meeting.

Meetings Protocol

The Governors will respect the confidential nature of the school's business. Governors can be suspended or dismissed for inappropriate and unprofessional behaviour and bring the school into disrepute.

If a Governor misses three consecutive meetings within a three-month period, they shall be contacted in writing. Mitigating circumstances would be taken into account i.e. long-term illness. Governors may be disqualified if they have failed to attend meetings for six months, following a resolution proposing disqualification made to the full Governing Board. If Governors know that they will be absent from full Governing Board meetings, they must notify the Clerk to the Governors **in advance** giving a valid reason. Apologies for absence must be *approved or not approved* at every meeting.

It is expected that Governors will attend meetings having pre-read associated paper work and will attend meetings prepared to participate, ask questions and appropriately challenge where appropriate.

Governors should be mindful that their Code of Conduct applies at all times.
