Bikeability Cycle Training Course - Monday 10th May – Friday 14th May 2021

We have been able to secure a booking for a Bikeability Cycle Course (Level 1 & Level 2) for some of our Year 6 pupils (max 16). **The course will be run at the school from Monday 10th May – Friday 14th May 2021.**

The course will include Highway Code theory plus skills exercises on the playground. This will be followed by basic manoeuvres on local roads for those who have reached the required standard of cycle control. The on-road sessions include starting, stopping, overtaking, making U-turns and turning left and right into road junctions.

Children will need a roadworthy cycle and will have to attend each day of the course. It is strongly advised that they also wear a cycle helmet. They should wear clothes appropriate for cycling and the weather conditions (warm/waterproofcoats, gloves, hat etc). Please note that the course is designed to improve cycle control, not teach children to ride. **Children should be encouraged to practice beforehand, in a safe space, especially signalling.** You may also wish to show them the video on the Bikeability page: <https://bikeability.org.uk/bikeability-training/bikeability-level-2/>

We are delighted to confirm that this course will be offered for FREE to those that sign-up. The cost would normally be £25.00 per child. Places are limited, and on a first come-first served basis, so if you wish your child to take part please complete the slip below and return it to the school by Wednesday 24th March.

Yours sincerely
