2nd March 2021

Design and Technology Enrichment Days

Tuesday 9th March and Wednesday 10th March 2021

Dear Parent / Carer,

All year groups will be completing design and technology work next week when they return to school. This will give children the opportunity to be fully immersed in their Design and Technology topic, while also enjoying practical and collaborative work as they adjust back into school routines.

In Years 3, 4 and 5, they will complete their food technology curriculum unit and in Year 6, the children will be working with textiles.

We are asking for a **suggested donation of £1**, which will go towards the cost of ingredients and materials. **Please send your child into school with this donation on Monday 8th March. They should give the money directly to their teacher.**

We really appreciate your support and are looking forward to seeing all the wonderful creations.

Yours faithfully

Miss J Lawrence
