Ofsted Visit – Tuesday 11th May 2021

Dear Parents/Carers

Thank you for your support during our recent Ofsted monitoring visit.

A full report will be coming through in the next few weeks after quality assurance. Please note this inspection cannot change the grading for the school as it is a monitoring visit. The full inspection will take place at some point in the future.

The outcome for this monitoring inspection shows progress made from the previous inspection and I am pleased to tell you that the results were very positive. We will let you have the official letter as soon as we get it.

Many thanks.
