

Sports Premium Spending Plan

2020 - 2021

Aims

At Woolenwick Junior school, we constantly strive to deliver the highest quality Physical Education, sport and physical activities for all of our children. We want all pupils to become physically literate and develop the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle, as well as lifelong participation in physical activity and sport.

PE and Sport Premium

Since 2013, the government has provided additional funding to improve provision of PE and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - was allocated to primary school head teachers. Recently the government committed to funding the primary school Sports Premium up until 2020 - an investment worth £750 million. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer, which means the premium should be used to:

1. develop or add to the PE and sport activities that the school already offers
2. build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The amount of PE and Sport Premium received

During the academic year 2020 - 21, Woolenwick Junior School has received £18,260 in PE and Sport Premium.

Sports Premium Spending Plan 2020-2021

Meeting national curriculum requirements for swimming and water safety:	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	0% No swimming due to covid-19 restrictions.
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	0% No swimming due to covid-19 restrictions.
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	0% No swimming due to covid-19 restrictions.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Key achievements to date	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> ● A team of child sports leaders were trained to help run games and sessions at lunchtimes ● A new PE scheme purchased and started to be implemented. To ensure high quality PE teaching for all ● PE knowledge organisers created to support children's progress in PE ● PE lead attended conference and shared training with other staff members ● Audit of PE resources completed ● Sporting achievements celebrated in weekly assemblies ● Children offered the opportunity to compete in a range of competitive sports including Athletics and Football. 	<ul style="list-style-type: none"> ● Sourcing team sports opportunities ● Opportunities for G&T to progress ● Inspirational sports people to visit and inspire pupils to compete ● Develop staff CPD of PE ● Sporting clubs to be offered by teachers

Sports Premium Spending Plan 2020-2021

Key indicator 1: The engagement of all pupils in regular physical activity –guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school					
CODE	School focus with clarity on intended impact on pupils:	Cost	Actions:	Evidence & Impact	Sustainability & Next Steps
1	<p>Regular sporting activities to be run at break and lunch times by Sports Apprentice.</p> <p>Extra-curricular sporting clubs to be offered and targeted at children who don't normally engage in regular physical activity.</p>	<p>£6500 - wages £1020 equipment and T-shirts</p> <p>£1260 football club places</p>	<ul style="list-style-type: none"> • SK to run sports activities and help MSAs to work on these • Rising Stars to run a Change for Life club • A team of sports leaders to be trained and given a rota of different activities to run on a regular basis. • MSAs to be given training to help lead activities as well as those offered by the Sports Leaders. • Clubs will be offered each term targeted at both boys, girls and PPG children. • Stevenage Borough FC to provide a club once a week. • Investigate if there are other sporting clubs in the area that would be able to offer an after school club. 	<p>Clubs on offer at lunchtimes run by sports apprentice had a decent uptake.</p> <p>Extra-curricular club places paid by school for PPG children.</p>	<p>Sports apprentice to continue running active clubs at lunchtimes.</p> <p>Offer a wide range of active sports clubs before and after school.</p> <p>Target non active as well as PPG children.</p>
