

Physical Education

Football Year 5

Unit Purpose

The unit of work will challenge pupils to **apply** their prior learning of passing, moving and dribbling to **create** attacks that result in a shooting opportunity.

Pupils will be able to develop **tactics** for both attacking and defending and apply these successfully within their team.

Inspire Me

Did you know... that red and yellow cards were first used at the 1970 World Cup in Mexico. The cards were introduced as a way of communicating to players and spectators that a player had been cautioned or sent off.

Key Success Criteria

- P** Pupils will pass, move, dribble and shoot accurately and consistently, switching fluidly between attack and defence as possession changes.
- C** Pupils will begin to create and apply tactics that they can then adapt depending on the situation.
- S** Pupils will develop communication skills as they officiate in game based scenarios. Pupils will also start to lead their team and manage their games.
- W** By facilitating learning through game-based scenarios and mini game situations, pupils will be challenged to try their best and start to take responsibility for others.
